

ROSEN METHOD BODYWORK INTENSIVE WORKSHOP

Saturday 7 August to Saturday 14 August 2010
SYDNEY

Gloria Hessellund invites you to join her on a journey of self-discovery. Come and spend a week exploring body tension and learning to trust and live from your inner wisdom.

Discover the simplicity and power of the human touch, and how becoming aware, letting go of chronic tension and speaking your truth brings new freedom and authenticity into your life.

This is a special opportunity to study bodywork with Gloria Hessellund, Director of Teaching at the Berkeley Center, California. Gloria travels to Australia, UK and Scandinavia each year to share this unique work.
